THE SMALL PRINT...

In an effort to build a superior product, in terms of livability, structure & energy efficiency, Mason Homes reserves the right to alter dimensions, areas, footage, location of doors, windows, etc., and to operate within allowable TARION and OBC parameters. Specifications, terms and conditions are subject to change without notice. Substitute materials and fixtures of comparable or better value are allowable at Builder's discretion. The Vendor offers an extensive array of optional items and upgrades, at an additional cost. The Purchaser acknowledges and agrees that variations in colour and shade uniformity may occur and the colours, patterns and availability of samples displayed in the Sales Presentation Centre and Design Studio may vary from those displayed and those available at time of colour selection. Hardwood flooring may react to normal fluctuation in humidity levels producing gapping or cupping or both considered to be within acceptable industry standards. The Purchaser shall have the right to choose the style or colour of an item, where a choice exists, from the Vendor's samples. However, the Purchaser agrees that if he/she fails to select within fourteen (14) days of being given notice by the Vendor or his agent, then the Vendor may proceed with his selection and the Purchaser will deem to have accepted such selection. Furnace and hot water tank locations are subject to change without notice. Some glazing on exterior renderings may be decorative glass and not see-through as per plan. The Purchaser acknowledges that the Vendor's sales office has been decorated for public display purposes and contains certain feature upgrade finishes, optional items and custom changes that are not included in the basic model. Artistic renderings of house elevations are artist's impression and detailing may vary from that shown. Ceilings and walls may be modified to accommodate mechanical systems. Number of steps at front and rear may vary from that shown according to grading conditions and municipal requirements. The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, claims and demands for, upon or by reason of any damages, loss or injury to person or property of the Purchaser, or any of his friends, relatives, workmen, or agents who have entered on the real property or any part of the subdivision of which the real property forms a part, whether with or without the authorization expressed or implied by the Vendor. The Purchaser agrees to pay, as an adjustment on closing, an administrative charge of \$50.00 plus interest (if applicable) on any cheque returned to the Vendor NSF. The Purchaser hereby acknowledges that the Vendor may, due to the location of the services to the building lot and/or street appeal and/or approved grading plans; place the above mentioned model on the above mentioned lot as a "mirror image plan" to the rendering posted in the sales office, or the model home viewed by the Purchaser. Purchaser shall have the right to select exterior cladding package (subject to architectural control), floor coverings, wall tiles, cabinets and countertops from the Vendor's standard samples, subject to timely availability from the Vendor's normal suppliers. All items specified "as per plan". Mason Homes reserves the right to substitute different brands of similar quality to those specified here dependent upon availability, pricing and selection. Purchaser acknowledges that, as per plan, some homes have optional one/two car garages in rear of yard, styles and construction of which are available upon request and not listed on this schedule.  Green for Life logo symbolizes an element of construction that, in the builder's opinion, constitutes an environmentally more sustainable process and/or product than conventional alternatives. Mason Homes builds in a method that we believe is more environmentally friendly manner to promote a healthier and energy efficient lifestyle, however this is not a substitute for an individual's lifestyle choices, nor do we claim any future healthy benefits from our products nor construction methods.
