

CASTLE GROUP

“Grease” is the word

Local developer Castle Group sponsored a performance of “Grease” at the Mississauga Living Arts Centre in March and hosted a post-performance reception attended by stars of the show and Mississauga Mayor Hazel McCallion who was also the guest of honour. Pictured below, from left to right, are Castle Group’s Naheel Suleman, vice-president; Nick Nanji CEO; Mona Bhamani, president; and Mayor McCallion.

MASON HOMES....

Recognized by EnerGuide

As proud recipients of the 2004 EnerGuide Award for New Homes Builder of the Year, Mason Homes held an event to both celebrate their achievement and educate the public about building energy efficient, healthy homes. Mason community, Maplebridge in Uxbridge, hosted the event that was attended by delegates from the Town of Uxbridge, the Canadian Energy Efficiency Alliance, and the EnerQuality Corporation. Uxbridge Mayor Gerri-Lynn O'Connor, in congratulating Mason Homes, spoke of how important it is to have energy efficient homes in the area. Mason Homes is a member of the EnerGuide for New Homes Program and builder of energy efficient homes in fine communities like Maplebridge in Uxbridge, Elgin Park in Lindsay, and Maple Woodlands in Barrie. Visit www.masonhomes.ca for more information.

NEW SUITE SELECTION AT BATTERY PARK

Monarch offers new inventory of two popular layouts

The purchasers are calling the shots at Monarch’s Battery Park building in Liberty Village. Demand has been incredible at this popular site, and Monarch has responded. The developer has introduced a new selection of suites to accommodate requests for two of their most sought-after layouts.

By remodeling floor plans, Monarch has introduced

new offerings of the two-bedroom Richmond model and the Niagara studio suite. Both have proven incredibly popular for Battery Park buyers, who are reacting to the units’ expansive rooms and efficient use of space. Both suites feature large balconies, extensive storage space, and principal rooms truly designed for living. The value laden price points found throughout the building also help make these suites a feasible option for the young urban buyers making their way to Battery Park.

The Battery Park presentation centre is located at 14 Strachan Avenue north of the Gardiner Expressway, south of King Street West. Hours are Monday to Thursday from noon to 6 p.m.; Saturday and Sunday from noon to 5 p.m.; closed Friday. For more information visit www.monarchgroup.net or call 416-591-2259.
